

MOUNTAIN BROOK INK
FOR IMMEDIATE RELEASE

NEW FROM MULTI-PUBLISHED AUTHOR KIMBERLY ROSE JOHNSON

Book 2 in THE WILDFLOWER B&B Trilogy

WHITE SALMON, Wash., JULY 16, 2015 — *Island Dreams* (August 2015) whisks readers to paradise in the second installment of the sweet romance trilogy, WILDFLOWER B&B ROMANCE. *Island Dreams* wraps fans old and new alike in the meeting of Chase Grayson and Piper Hunt. Aimed at anyone with a desire to spend a few hours relaxing in the Pacific Northwest, *Island Dreams* offers readers a cozy prescription for romance.

In *Island Dreams*, Piper Hunt arrives on Wildflower Island with a mission--to prove her worth to her father by turning their old family property into an upper class resort. Chase Grayson likes Wildflower Island just the way it is: quiet, peaceful and largely unknown by the heavy tourist trade. When Piper declares her intentions to turn her property into a resort, Chase opposes the development. But through the conflict, the two begin to feel a kindling attraction toward the other. Will Piper be able to choose between her struggle for her father's acceptance and her growing affection for Chase? Will Chase be able to decide between salvaging what he's always known and what he suddenly desires?

" *'Island Dreams'* is a lovely story--perfect for summer reading! If you're a fan of sweet romance you'll enjoy Johnson's latest entry in the 'The Wildflower B&B' series."

-- Kathleen Fuller, multi-published author of THE MIDDLEFIELD FAMILY novels

Bursting with warmth, *Island Dreams* offers adult readers a place to relax, put their feet up, and take in a lungful of fresh air--all without the cost of a travel ticket!

Kimberly Rose Johnson lives in Salem, Oregon and writes sweet inspirational romance. She married her college sweetheart 25 years ago. Her hobbies include reading, watching chick flicks, playing the piano, long walks with her hubby and their yellow lab, drinking coffee and eating dark chocolate. Kimberly holds a degree in Behavioral Science and is a member of ACFW.
