Idaho Top Author Brings Hollywood to Sun Valley

Idaho Top Author Angela Ruth Strong Kicks Off New Series, RESORT TO LOVE

WHITE SALMON, Wash., JAN 4, 2016 — Idaho Top Author Angela Ruth Strong peeks behind the scenes of feminine strength in her new novel, *Finding Love in Sun Valley, Idaho*, releasing February 1, 2016.

Coming fresh off the success of her *Wonder Woman* movie, actress and stuntswoman Emily Van Arsdale returns home to Sun Valley, Idaho to finish shooting her newest film. Despite the romantic overtures of her co-star, Emily has no plans to fall in love. That is, until handsome set consultant and rafting guide, Tracen Lake, steps up to the challenge.

"Angela Ruth Strong's novel combines classic romance with a unique, exciting, [and] fun story filled with action and the ups and downs of new love."

-- Best-selling author, Tracey Bateman

Strong takes a classic, high-powered female icon and asks, "What about the woman behind the fame and the influence, the crown and the cause?" As superheroes become more and more mainstream, *Finding Love in Sun Valley, Idaho* takes a step back from the limelight and observes how women constantly on-call for show must continue to fight for the priority of their

own personhood in the privacy of their own lives. While superheroes may be in plentiful supply today, sometimes saving the world is less about explosions and more about the daily choice to be kind--and risk falling in love.

"...I fell in love with Tracen and Emily in this unique romance. The plot portrays a true opening of two hearts to each other, all while taking the reader on a rip-roaring Hollywood-type adventure!"

-- Christina Berry Tarabochia, Award-Winning Author

Readers seeking excitement and romance will be drawn into the chemistry between Emily Van Arsdale and Tracen Lake, while readers seeking discussion will find a list of study questions at the back of the book. *Finding Love in Sun Valley, Idaho* is an excellent springboard to thought for local book groups seeking to discuss the evolution of womanhood and romance in a postmodern society.

Angela Ruth Strong has always wanted to be a writer, even starting her own neighborhood newspaper in the seventh grade! She pursued her passion for the written word by studying journalism at the University of Oregon, then going on to work as a freelance writer and novelist. She started the IDAHOpe Writers Group in Boise, Idaho, the same setting for her children's book series, *The Water Fight Professional*, and loves making up all sorts of fun things with her family.
